**NOTICE OF ACTION TAKEN
BY WRITTEN CONSENT**

December __, 2015

To the Stockholders of Integrated Freight Corporation:

The attached information statement is furnished by the Board of Directors (the "Board") of Integrated Freight Corporation ("we", "us", "our" and equivalent pronouns). We are a Florida corporation. Our common stock is traded in the public securities market under the symbol IFCR. We file reports under Section 13 of the Securities Exchange Act of 1934 with the U.S. Securities and Exchange Commission.

On December 10, 2015, our Board of Directors, by action by written consent, approved and recommended to our stockholders for approval an increase to 5,000,000,000 shares from 2,000,000,000 shares the number of shares of common stock we are authorized to issue ("Share Increase"). The holders of our Series C Preferred Stock approved the increase by action by written consent on December 10, 2015. The holders of our Series C Preferred Stock have a right to cast 50.0000000173% of all votes eligible to be cast by all stockholders, including common stockholders. Although the holders of the Series C Preferred Stock did not formally vote the 187,254,033 shares of common stock they collectively own in favor of the Share Increase, they may be deemed to have voted such common shares. Each approval included Amended Articles of Incorporation required to be filed with the Florida Secretary of State to effectuate such increase. The stockholder consent was sufficient to approve increase under Florida law. The Amended Articles of Incorporation, which we intend to file immediately, specify that the effective date of the increase in authorized common stock will be effective twenty days following the first distribution of the attached information statement to stockholders describes the actions taken by the Board of Directors and a majority vote of stockholders.

The attached information statement is being delivered to meet the requirements of §607.0704(3), Fla. Stat., which requires notice to nonconsenting stockholders within ten days following an action by written consent of stockholders; but in compliance with Regulation 14C of the Securities Exchange Act of 1934, which requires filing of a preliminary information statement on Schedule 14C not less than ten days prior to the distribution of a definitive information statement to stockholders, including an extension of such ten days due to filing any required amendments to the preliminary information statement. This information statement is being first mailed on or about _____ to holders of record of our common stock and preferred stock as of the close of business on _____ (the "Mailing Date"). On the Mailing Date, we have 1,445,539,930 shares of common stock, 90,000,000 shares of Series A Preferred Stock, 300 shares of Series B Preferred Stock and 200 shares of Series C Preferred Stock outstanding.

The attached information statement is being circulated to provide you with notice that the corporate actions have been approved by the written consent of the holders of majority voting power of our outstanding capital stock. No further action by our stockholders is required. Pursuant to Rule 14c-2 under the Securities Exchange Act of 1934, the corporate action will become effective twenty days after the actual first mailing date as noted in the preceding paragraph.

THIS IS NOT A NOTICE OF A SPECIAL MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN. WE ARE NOT ASKING FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY. THE ACCOMPANYING MATERIAL IS BEING SENT TO YOU FOR INFORMATIONAL PURPOSES ONLY. GENERAL

This information statement has been filed with the United States Securities and Exchange Commission (the "SEC") and is being furnished to the holders of the outstanding shares of common stock, par value \$0.001 per share, of Integrated Freight Corporation, a Florida corporation ("we," "us," "our" and equivalent pronouns). The purpose of this information statement is to provide notice that a majority of our stockholders, holding approximately 50.000000173% of voting power of our outstanding capital stock (the "Consenting Stockholders") at December 10, 2015 approved an amendment to our Articles of Incorporation to increase our authorized shares of \$0.001 common stock to 5,000,000,000 shares to 2,000,000,000 shares (the "Share Increase"). Although the holders of the Series C Preferred Stock did not formally vote the 187,254,033 shares of common stock they collectively own in favor of the Share Increase, they may be deemed to have voted such common shares.

The Board of Directors approved and recommended to the stockholders for approval the amendment to our Articles of Incorporation (the "Article of Amendment") mentioned above. The full text of the Articles of Amendment is attached to this information statement as Exhibit A.

On December 10, 2015, the Consenting Stockholders consented in writing to the Articles of Amendment. This consent was sufficient to approve the Articles of Amendment under Florida law (the "December 2015 Amendment").

We will pay all costs associated with the distribution of this information statement, including the costs of printing and mailing. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending this information statement to the beneficial owners of its Common Stock. This information statement is expected to be sent out on or about _____ (the "Mailing Date") to our common and preferred stockholders.

We have filed the Amended Articles of Incorporation with the Florida Secretary of State. The Amended Articles of Incorporation specify that the Share Increase will be effective twenty days after the Mailing Date.

Our stockholders do not have dissenters' rights under Florida law based on the adoption of the Share Increase.

**AMENDMENT TO ARTICLES OF INCORPORATION
TO INCREASE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK**

On December 10, 2015, our Board of Directors approved an amendment to our Articles of Incorporation to effect the Share Increase and recommended the Share Increase to our stockholders for approval. On December 10, 2015, the holders of a majority of votes entitled to be cast on the share increase approved the Share Increase. Other than the Share Increase, the Amendment to the Articles of Incorporation does not amend our Articles of Incorporation as presently in effect and will not result in any change to the rights of our stockholders

A copy of the proposed Amendment to the Articles of Incorporation is attached as Exhibit A to this information statement.

Reasons for the Share Increase

The reason for the Share Increase is because we now have 1,445,539,930 shares of our two billion authorized common shares outstanding and 487,460,000 additional shares reserved for issue under outstanding convertible debt, leaving us an insufficient number of common shares available for issuance (i) to investors who may agree to provide us with the funding we require to continue operations; (ii) to persons in connection with potential acquisition transactions; (iii) to pay outstanding nonconvertible debt and other obligations; (iv) compensate management and advisers and (v) in other transactions in which our Board of Directors may determine is in our best interest and our stockholders to issue common shares. The Share Increase will not have any immediate effect on the rights of existing stockholders, but will have a dilutive effect to our existing stockholders if additional shares are issued.

Authorized Share Increase and Amended Articles of Incorporation Approved by Written Consent in Lieu of Meeting

The Share Increase and related Amended Articles of Incorporation were approved by written consent executed by the holders of a majority of the outstanding capital stock entitled to vote on December 10, 2015 in lieu of holding a meeting of our stockholders. On the Mailing Date, those stockholders held 50.0000000173% of the voting power of our capital stock. Although the holders of the Series C Preferred Stock did not formally vote the 187,254,033 shares of common stock they collectively own in favor of the Share Increase, they may be deemed to have voted such common shares.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

Our remaining stockholders will not be given an opportunity to vote with respect to the Share Increase. All necessary corporate approvals have been obtained, and this information statement is furnished solely for the purpose of advising stockholders of the proposed actions to be taken by written consent.

The elimination of the need for a meeting of stockholders to approve these actions is made possible by §607.0704(3), Fla. Stat., which provides that unless otherwise provided in the articles of incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without prior notice by written consent thereto is signed by stockholders holding at least a majority of the voting power.

Expected Effectiveness of the Share Increase and Amended Articles of Incorporation

Under Section 14(c) of the Securities Exchange Act of 1934 (the "Exchange Act"), the corporate actions cannot become effective until twenty (20) days after the date that this information statement is first sent to our stockholders.

To effect the Share Increase, have filed the Amended Articles of Incorporation with the Florida Secretary of State. The Amended Articles of Incorporation, as approved by our Board of Directors and holders of a majority of votes entitled to be cast, provide that the Share Increase will not be effective until twenty 2days after the date that this information statement is first sent to our Stockholders. A copy of the Amended Articles of Incorporation to be filed is attached as Exhibit A to this information statement.

No Appraisal Rights

Under the Florida law, our stockholders are not entitled to appraisal rights with respect to the Share Increase or the adoption of the Amended Articles of Incorporation.

OUTSTANDING VOTING STOCK OF THE COMPANY

Florida law does not require our Board of Directors to fix a record date for determining the stockholders entitled to vote on the Share Increase, which was approved on December 10, 2015. On December 10, 2015, there were: 1,445,539,930 shares of common stock outstanding, each share of which entitles the holder thereof to one vote on all matters submitted to our stockholders, 90,000,000 shares of Series A Preferred Stock which is not entitled to any vote on matters submitted to our stockholders for approval, 300 shares of Series B Preferred Stock which is not entitled to any vote on matters submitted to our stockholders for approval and 200 shares of Series C Preferred Stock which is entitled in the aggregate to one vote more than all other shares of common and preferred stock with voting rights combined to any vote on matters submitted to our stockholders for approval. None of our capital stock with a right to vote on matters submitted to our stockholders for approval vote as a separate class.
